

### PARTNERSHIP UPDATE

#### Specialized Recruiting Program Highlights the Value of Hiring Veterans

The Value of a Veteran is a specialized recruiting program that works to solve talent and recruitment challenges within the veteran community. The program holds in-person and virtual job fairs specifically for military Service members and veterans. During the job fairs, the Service members and veterans can connect with exclusive companies that are seeking candidates with military experience and training in specific fields.

Since there is a select list of employers present at the job fairs, job-seekers have ample amount of time to speak with each employer. Interviews are often held at the job fairs, and it is common for job-seekers to leave the event with a job offer!

To locate and register for a job fair in your area, visit [MilitarySkilledTrades.com/registration](http://MilitarySkilledTrades.com/registration). Also, if you cannot attend one of the in-person job fairs, you can post your resume on [TheValueOfAVeteran.com](http://TheValueOfAVeteran.com), which will allow the companies to review your resume.

#### ESGR Secretary of Defense Employer Support Freedom Award Nomination Season

P3 works closely with the Employer Support of the Guard and Reserve (ESGR) program. ESGR provides information and neutral mediation on issues related to the Uniformed Services Employment and Reemployment Rights Act (USERRA), which is a law that protects the job rights of individuals who voluntarily or involuntarily leave civilian employment to perform military service.

Recognizing supportive civilian employers is vital to ESGR's mission. ESGR representatives in each state, territory, and the District of Columbia actively promote a progressive employer awards program as a key element in furthering employer support while strengthening relationships between Service members and employers.

The Secretary of Defense Employer Support Freedom Award is ESGR's most prestigious award, and it is awarded annually to employers that provide exceptional support to their Army Reserve and National Guard employees. Nominations for the 2018 Freedom Award will be accepted through December 31, 2017, and nominations from Army Reserve Service members are encouraged!

When nominating an employer, it is important to thoroughly explain how the organization has been supportive. The more engaging the story, the more likely they will be considered for the award. If you are an Army Reserve Service member and would like to show your appreciation and nominate your employer, visit [FreedomAward.mil](http://FreedomAward.mil).
