3. Evaluation Reports.

a. In order to be considered by the board, all mandatory or optional Officer Evaluation Reports (OER) / Academic Evaluation Reports (AER) must be received, error free, by the HRC Evaluations Branch NLT 20 Nov 18. Senior raters must make certain that evaluation reports for eligible officers are expeditiously processed and submitted to HRC by the suspense date.

b. All OERs must be prepared and submitted to HRC via the Evaluation Entry System (EES) website at <https://evaluations.hrc.army.mil>. If unable to access and submit evaluations within EES, a hard copy DA Form 67-10 series OERs can be prepared and mailed to: Commander, USA HRC, ATTN: AHRC-PDV-ER, 1600 Spearhead Division Ave, Dept. #470, Fort Knox, KY 40122-5407. If unable to access EES, a DA Form 67-10 series OERs can be downloaded from the Army Publishing Directorate's webpage at <http://www.apd.army.mil>.

(1) Sending DA Form 67-10 series OERs by email is only authorized for deployed units or deployed rating officials and should only be used for deployed units who created .PDF-F evaluations outside of EES. A standard operating procedure covering the process for scanning and emailing OERs from deployed units is available upon request.

(2) All non-deployed units or rating officials with ink-signed or older version forms not useable in EES must mail printed OERs to Commander, USA HRC, ATTN: AHRC-PDV-ER, 1600 Spearhead Division Ave, Dept. #470, Fort Knox, KY 40122-5407.

c. Complete-the-Record Report (Code 09).

(1) A code 09, Complete-the-Record OER, is "optional" for officers who meet the criteria in accordance with (IAW) AR 623-3, paragraph 3-56.

(2) The required "thru date" for Complete-the-Record OERs (code 09) is 22 Aug 18. All Complete-the-Record OERs for this board must be prepared and submitted on the appropriate DA Form 67-10 as described in paragraph 3b above.

(3) Refer to AR 623-3, paragraph 3-56, to determine eligibility for submitting a Complete-the-Record report. All of the criteria detailed in the regulation must be met in order to submit this type of OER.

(4) All other reports (mandatory or optional), excluding Complete-the-Record reports (code 09), will have a "thru date" that reflects the end date of the event that justified the report.

d. Reports received by HRC Evaluations Branch by 20 Nov 18 will be placed in the officer's Army Military Human Resource Record (AMHRR) and their board file prior to

board voting, assuming the evaluation is relatively free of errors. This suspense date is for receipt of evaluations by HRC Evaluations Branch, not for submission to AMHRR. If an evaluation is seen as working in the Evaluation Reporting System (ERS) with a received by date of 20 Nov 18 or earlier, and the evaluation is free of errors, it will be completed in time for the selection board.

e. Officers with missing OERs in their AMHRR should first check the EES application. This will identify any evaluations not completed (either on hold or rejected) due to errors. Officers with questions about OER policy or procedural matters can contact the HRC Evaluations Branch at (502) 613-9019, DSN 983-9019 or email usarmy.knox.hrc.mbx.tagd-eval-policy@mail.mil.

h. Career managers, board support personnel, and Interactive Personnel Electronic Records Management System (iPERMS) support personnel are not authorized to place evaluations directly into the AMHRR. OERs that are not processed by the HRC Evaluations Branch will not be seen by the board.

4. Education Requirements.

a. IAW AR 135-155, officers must have completed all Intermediate Level Education (ILE) course requirements no later than (NLT) the day prior to the board convening. Per AR 350-1, ILE consists of a common core curriculum and a required branch or functional area credentialing course. The credentialing course for basic branch officers is the Advanced Operations Course (AOC). Functional area credentialing courses are designated by the proponents. All officers commissioned on or after 1 January 1994 must have completed ILE-Common Core (CC) and have completed a credentialing course NLT the day before the boards convenes. However, officers commissioned on or before 31 December 1993, meet the minimum MILED requirement if they completed the Legacy Command and General Staff Officer's Course (CGSOC) or ILE-CC. Evidence of completion is the Academic Evaluation Report (AER), DA Form 1059, diploma, or supporting memorandum. These documents must be in the My Board File (MBF). Officers not MILED qualified will not be selected for promotion. Department of the Army (DA) G-3/5/7 is the approval authority for MILED constructive credit. There will be no MILED waivers considered for this board.

b. The completion of civilian education requirements is presumed for all.

c. Entries on the DA Form 4037, Officer Record Brief (ORB), and DA Form 2-1, are for information purposes only and will not be used to verify military and/or civilian education requirements.

d. Officers with questions concerning required military education or board file education qualification statuses, please contact your career manager. Individual Ready Reserve (IRR), Individual Mobilization Augmentee (IMA), and AGR officers may visit the following website for information regarding their career manager: <https://www.hrc.army.mil/content/Army%20Reserve%20Officer%20Directory>. 5. My Board File (MBF).

a. MBF Opens: 28 Sep 18 and MBF Closes: 21 Nov 18.

b. It is an individual officer's responsibility to review, update, and validate their MBF. Career managers and human resources personnel will not review board files for errors or missing documents as that is a Soldier's responsibility. Officers must provide missing documents or make a reasonable attempt to retrieve those missing documents. Failure to comply with this requirement may demonstrate a "lack of due diligence" on the officer's part and may not be used as the basis for requesting a special selection board (SSB).

c. Only documents in the officer's AMHRR Performance folder are authorized for use in the MBF. The official photo, and non-AMHRR documents such as the DA Form 4037, ORB, and if applicable, a Letter to the President of the Board are also added to the MBF. To access MBF go to <https://www.hrc.army.mil>, and click on My Records, then select Reserve/Retiree/Veteran Record, and then select Board File. In order to add a missing document or to correct an error in MBF, the AMHRR must first be corrected. See paragraph 6 for instructions on updating the AMHRR. Officers are encouraged to validate their MBF early. Validating the board file will not prevent further updates; it will, however, trigger automated e-mails when there is a change to the MBF.

d. AR AGR, TPU, IMA, and IRR Officers. NLT 17 Nov 18, email non-AMHRR documents in PDF format to usarmy.knox.hrc.mbx.tagd-board-colapl@mail.mil. Do not submit these documents through iPERMS.

To access MBF, go to the HRC homepage <http://www.hrc.army.mil> and click on the Self-Service link in the right hand column and then click on the My Board File for Reserve Soldiers link. The MBF will only be available for the dates listed in paragraph 5a above. Validating your board file will not prevent further updates, it will however, trigger automatic e-mails any time there is a change made to your MBF. It is in your best interest to validate your MBF early.

f. Board preparation tools are available at the following HRC website: <https://www.hrc.army.mil/tagd/selection%20boards>. Officers are strongly encouraged to review these tools for their own professional development and to ensure that they

e. iPERMS operators will use the web upload feature in iPERMS to submit authorized AMHRR document IAW AR 600-8-104. All documents must include the officer's full name and complete 9-digit social security number. HRC must receive submissions NLT 16 Nov 18 to allow for sufficient processing time. iPERMS operators must type the word "Board" in the container field of the batch for priority processing. Write down the batch number for future reference. Updates to the Performance folder of the AMHRR will populate the MBF application, but officers should expect a delay. A listing of all authorized AMHRR document is available at the following HRC website <https://www.hrc.army.mil/asset/14900>. Do not submit OERs or AERs directly into iPERMS.

7. Automated/Officer Record Brief (ORB):

a. As an exception to paragraph 3-3a(3) in AR 135-155, effective 1 Jan 18, the DA Form 2-1, PQR, is not authorized for inclusion in an officer's My Board File (MBF). In its place, the MBF of RC officers and warrant officers will contain an automated DA Form 4037, ORB. Both the Army Reserve and Army National Guard now have the necessary systems in place to fully automate the transmission of ORB data to the DA Secretariat. IRR and IMA officers may continue to email a manually prepared ORB to the DA Secretariat for inclusion into their MBF.

b. Officers are responsible for maintaining their ORB updated with the most current information.

c. AR AGR and TPU Officers.

(1) The RCMS ORB module generates an authorized version of DA Form 4037, ORB, that selection boards use to assess an officer's record.

(2) On or about 28 Sep 18, HRC will import the ORB into each officer's MBF, and then again on 15 Nov 18. The second import will allow officers to view the final version of the ORB that board members will view. After the ORB is imported a second time, no additional changes will be made.

(3) Officers can review their ORB by going to the AR's RCMS G-1 Soldier Support website at <https://selfservice.rcms.usar.army.mil> and selecting My Record Brief. In the My Record Brief page, select "View Certified Selection Board Record Brief."

(4) To update or correct their RCMS ORB, officers must contact their Unit Administrator, S-1, RPAC, or HR Section. AGR officers assigned to units outside of the USARC must contact their HRC Career Manager for help in updating their ORB. To allow sufficient time for corrections to be processed, requests must be submitted as soon as possible, but NLT 2 Nov 18.

d. IMA and IRR Officers.

(1) IMA and IRR officers must include an ORB with their MBF. Officers must create and submit their own ORB. Section IV (dependents, religion, marital status, and spouse birthplace) of the ORB must remain blank. Instructions for completing the record brief can be found in AR 600-8-104 and a fillable DA Form 4037 is available at <https://www.hrc.army.mil/tagd/reserve%20officer%20board%20information>.

If you are unable to see your DA Photo in DAPMIS within three duty days after the photo was taken, contact the installation photographic facility for assistance. Photographs must be accepted in DAPMIS NLT 20 Nov 2018 to allow for the required processing time. Hardcopy photographs are no longer accepted.

b. The minimum official photograph frequency is every five years. However, an updated photo is required when there is a change in grade, when there is an award of the Army Commendation Medal or above, or when there is a significant change in the Soldier's appearance. Officers desiring to write to the President of the Board should refer to AR 135-155, paragraph 3-13, for guidance and AR 25-50 for instructions on properly formatting an Army letter. Failure to comply with these instructions will be viewed as a "lack of due diligence" on the officer's part and may not be used as the basis for requesting an SSB.

c. Officers with questions concerning letters to the president of the board should contact the DA Secretariat's Office at (502) 613-6446, DSN 983-6446, or usarmy.knox.hrc.mbx.tagd-board-colapl@mail.mil.
