A. TA will not be authorized for any course for which a Soldier receives reimbursement in whole or in part from any other Federal source (scholarship, education-related incentive or bonus, and advanced civil schooling) when the payment would constitute a duplication of funding, with the exception to this when enrolled in a half-time or greater program of education. In this case, they may concurrently receive both MGIB and TA. MGIB title.

B. When combining TA with VA educational benefits under the MGIB (Chapter 30) "Top Up" program, the combined amount of funding will be in accordance with applicable VA guidelines. It is recommended that Soldiers seek assistance from an education counselor.

C. When using Federal financial aid, such as a Pell Grant, TA will be applied first, and the Federal aid will be applied to the remaining amount.

D. For ARNG Soldiers in states that provide State TA, use of Federal and State TA benefits will be applied in accordance with applicable guidelines.

VII. MILITARY SERVICE OBLIGATIONS:

A. IAW Title 10 USC, Section 2007, commissioned officers (CW2/2LT and above) who accept TA funds incur a Military Service Obligation (MSO) of two years. Reserve Component (USAR/ARNG) officers incur a Reserve Duty Service Obligation (RDSO) of four years. The TA MSO commences on the first day of the first semester of the first course of instruction. If an officer's TA-imposed MSO is waived, the officer will be required to serve the unmet portion of the MSO.

B. Once imposed, the TA MSO will run concurrently with any previously imposed MSO. The amount of TA representing the unserved portion of the ADSO/RDSO.

C. The officer's duty status on the term start date will determine whether an ADSO/RDSO is waived. Officers not on active duty may complete an ADSO in an active drilling status.

D. For Reserve Component officers, any recoupment actions related to the RDSO.

E. Officers may not under any circumstances reimburse an AI for a TA-funded course.

VIII. RIGHT TO REDRESS:

A. Resolving issues related to ArmyIgnitED or TA: For assistance with resolving ArmyIgnitED account or TA issues (e.g., account holds or system errors), Soldiers may contact their assigned Army Education Center/Office of the Army Education Center/Office.

B. Resolving issues related to an AI: For AI-related issues (e.g., degree requirements, grades, class absences, or billing/financial aid), Soldiers should contact their AI directly. If a Soldier believes the AI demonstrated deceptive practices or otherwise failed to comply with the provisions of the DoD Memorandum of Understanding (DoD MOU), which outlines the conditions required for an AI to participate in the TA program, the Soldier has the right to file a complaint with the U.S. Government. Such complaints may be filed via the Postsecondary Education Complaint System (PECS) website at <https://pecs.militaryonesource.mil/pecs/dodpecs.aspx>.

Institutional-level data about the number and nature of complaints filed against individual schools may be reviewed at <http://www.dodmou.com/TADECIDE>.
