IMPORTANT CURRENT EMERGENCY INFORMATION

STATE / CITY / COUNTY INFORMATION

[Cold Weather and Snow Emergencies](#)

Ohio snow emergency levels:

In Ohio there are three levels of Snow Emergency labelled, appropriately, Level 1, Level 2, and Level 3.

Level 1 is the lowest and is issued when roadways become hazardous due to blowing and drifting snow. Under a Level 1 emergency roads may also be icy and drivers should use caution when traveling.

Level 2 is more severe and is issued when the roads become hazardous enough that you should only drive if absolutely necessary. When a Level 2 emergency is issued, you should reach out to your employer to see if you should report to work. otherwise, stay home.

Level 3 is the most severe. It is issued when the roads are so treacherous that they have been closed to all non-emergency personnel. No one should be driving during these conditions unless it is absolutely necessary or there is an emergency. If you absolutely must travel for work or other reason, you could be pulled over and arrested.

These levels exist for a reason and are issued by law enforcement agencies for your protection. As a rule, you should try to avoid traveling on any roadways that haven't been plowed and/or salted as you are at risk for an accident. The fewer drivers on the road, the safer it will be for safety personnel.

PET & LIVESTOCK RESOURCES

<http://www.missingpet.net/anlost.html>

The best way to protect your family from the effects of a disaster is to have a disaster plan. If you are a pet owner, that plan must include your pets. Being prepared can save their lives.

If you evacuate your home, **DO NOT LEAVE YOUR PETS BEHIND!** Pets most likely cannot survive on their own; and if by some remote chance they do, you may not be able to find them when you return.

Cold Weather Safety Tips

Pets/Animals

- Bring in pets/animals inside during cold weather.
- If unable to bring them inside, move animals to sheltered areas with non-frozen drinking water.

Home

- Insulate exposed pipes and allow at least one faucet to drip a little to avoid freezing. Even a trickle of water helps prevent pipes from freezing.
- Keep heating devices away from flammable materials, and never leave unattended.

Yourself & Others

- Dress accordingly and keep warm with plenty of clothing layers, gloves, hats, scarves, and blankets.
- Remember to check on those whom are elderly, disabled, and young.
- If you will be going away during cold weather, leave the heat on in your home, set to a temperature no lower than 55°F.

The CCP supports short-term interventions that involve the counseling goals of assisting disaster survivors in understanding their current situation and reactions, mitigating stress, assisting survivors in reviewing their disaster recovery options, promoting the use or development of coping strategies, providing emotional support, and encouraging linkages with other individuals and agencies who may help survivors in their recovery process. This document gives a brief program overview of CCP.

[Disaster Legal Services Fact Sheet](#)

The purpose of Disaster Legal Services (DLS) is to provide legal assistance to low-income individuals who prior to or as a result of the disaster, are unable to secure legal services adequate to meet their disaster-related needs. This fact sheet outlines when DLS can be provided and explains the general conditions and limitations of DLS.

[Disaster Unemployment Assistance Fact Sheet](#)

The purpose of Disaster Unemployment Assistance (DUA) is to provide unemployment benefits and re-employment services to individuals who have become unemployed as a result of a major disaster and who are not eligible for regular State unemployment insurance. This fact sheet outlines general information pertaining to the requirements and conditions under which an individual may be eligible for DUA.

[National Emergency Family Registry and Locator System Fact Sheet](#)

The FEMA National Emergency Family Registry and Locator System (NEFRLS) may be activated following a Presidentially declared disaster at the request of an affected State to help reunite families that have become separated as a result of the disaster. Individuals and families can register online at www.fema.gov or www.disasterassistance.org or by phone at 1-800-588-9822 when the system is activated.

[Generator Reimbursement – Individuals and Households Program Fact Sheet](#)

Under the Other Needs Assistance provision of the Federal Emergency Management Agency's (FEMA) Individuals and Households Program, and in conjunction with the State or Tribe, eligible applicants may be reimbursed for the purchase or rental of a generator required for medical purposes. Funds awarded for generator reimbursement are counted toward an applicant's financial assistance limit, which is an annually adjusted amount based on the Consumer Price Index.

[Manufactured Housing Units \(MHUs\) – Individuals and Households Program Fact Sheet](#)

FEMA may provide direct assistance to eligible disaster survivors through either the Multi-family Lease & Repair Program, in which FEMA contracts with the property owner or landlord to repair multi-family rental units for use as temporary housing, or by providing Manufactured Housing Units (MHUs). This fact sheet outlines the use of MHUs.

[Cora Brown Fund Fact Sheet](#)

The purpose of the Cora Brown Fund is to help provide for disaster-related needs that have not or will not be met by governmental agencies or any other organization, which has programs to address such needs. The Cora Brown Fund is for survivors of presidentially declared major disasters or emergencies not caused by or attributable to war. Disaster survivors do not apply for assistance from the fund; instead, they are identified and recommended by a FEMA Regional Director or his/her representatives, with assistance from other governmental agencies and voluntary disaster agencies.

[Disaster Survivor Assistance Fact Sheet](#)

The DSA mission is to build and sustain an expeditionary cadre that can establish a timely presence primarily focused on addressing the needs of disproportionately impacted populations and disaster survivors.

[Child Care Assistance Fact Sheet](#)

OHIO RESOURCE GUIDE

The Sandy Recovery Improvement Act of 2013 provides FEMA the specific authority to award Child Care Assistance through the Other Needs Assistance (ONA) provision of the Individuals and Households Program (IHP), to assist disaster survivors who have a disaster-caused financial burden for child care. FEMA may provide Child Care Assistance to address disaster-caused child care expenses for eligible households with:

- Children aged 13 and under; and/or
- Children aged 14 up to 18 with a disability, as defined by federal law, who need assistance caring for themselves.

Child Care Assistance is a form of financial assistance and funds are paid directly to eligible applicants. FEMA will award a one-time payment for the household's increased financial burden for up to eight cumulative weeks of child care, plus any eligible expenses, or the maximum amount of assistance for Child Care Assistance, whichever is less. The maximum amount of Child Care Assistance is established by the state, territorial, or tribal government.

[Disaster Recovery Centers Fact Sheet](#)

A Disaster Recovery Center (DRC) is a fixed or mobile provisional facility set up by FEMA that provides a central location near disaster impacted areas where Federal, State, Tribal, and non-government organizations have recovery information, assistance, and services to disaster survivors. This facility offers disaster survivors a place to register with FEMA and obtain information and assistance on disaster relief resources available from Federal, State, and Tribal Nations and non-governmental organizations.

[Group Flood Insurance Policy Fact Sheet](#)

As part of the effort to reduce future expenses from floods, FEMA directly purchases Group Flood Insurance Policy (GFIP) certificates on behalf of applicants who are required to obtain and maintain flood insurance. The National Flood Insurance Reform Act (NFIRA) of 1994 requires FEMA applicants to obtain and maintain flood insurance after receiving Individuals and Households Program (IHP) real and/or personal property assistance, when the pre-disaster home is located in a Special Flood Hazard Area (SFHA); this is otherwise known as a flood insurance requirement. The GFIP is a policy that is established for each disaster declaration that results from flooding and authorizes the Individual Assistance program.

[Mass Care/Emergency Services Reunification Service Fact Sheet](#)

FEMA has the statutory requirement to facilitate the reunification of unaccompanied minors with their custodial parents/legal guardians, as well as the voluntary reunification of adults with their families, during declared emergencies or major disasters. Working collaboratively

OHIO RESOURCE GUIDE

with whole community partners, FEMA Mass Care/Emergency Assistance (MC/EA) develops procedures, identifies best practices and provides resources to strengthen reunification services. MC/EA facilitates partner agreements and identifies and develops new resources and tools, including training and exercises, in support of state, local, tribal, and territorial (SLTT) governmental reunification planning and operations. FEMA coordinates deployment of national reunification resources, both human and material, to support state-led reunification task forces as well as field operations.

[Assistance for Active Military and Civilian Personnel Fact Sheet](#)

FEMA may provide assistance to active military and civilian personnel if it is not duplicated with assistance offered by the Department of Defense or other available resources.

Active duty military personnel stationed outside of the country can authorize a third party to be present for a FEMA inspection of disaster damage to their primary residence.

[Individual Assistance Program Fact Sheet](#)

When a local, state, territorial, or Indian Tribal Government determines that an incident exceeds their capabilities to respond, the mayor, governor or Indian Tribal Chief Executive must request a declaration from the President. The President may authorize Individual Assistance programs and services based upon whether the resulting damage and its effects are of such severity and magnitude as to be beyond the response capabilities of the state, affected local governments, and other potential recipients of supplementary Federal assistance.

The Individual Assistance mission ensure disaster survivors have timely access to a full range of authorized programs and services to maximize recovery, through partnered coordination of local, state, territorial, and Indian Tribal governments, as well as other Federal Agencies, nongovernmental organizations and the private sector.
