GENERAL INFORMATION

1. AGREEMENTS/ADDENDUMS. In accordance with (IAW) U.S.C. Title 10, U.S.C. Title 37, DoDI 1304.31 and DoDI 1304.34, an applicant/Soldier must enter into an agreement outlining the terms and conditions for receiving an incentive. The service representative issuing the written agreement will explain the repayment requirements for failing to complete the period of obligated service or other conditions of service for which the incentive is paid. Execute agreements on or before any obligated service period. Valid agreements will contain all required signatures, dates, bonus control numbers, constructed and printed from authorized systems. The office generating the document(s) is responsible for upload of all agreements/addendums into Interactive Personnel Electronic Records Management System (IPERMS).

2. Funds and Taxes. A contractual agreement for an incentive and received payment is based upon the availability of funds; therefore, all incentive programs are subject to suspension or termination without notice. All incentives are subject to state and federal tax codes (except the MGIB-SR Kicker which is a non-taxable incentive paid by the Veterans Administration (VA)).

3. Continued receipt of Incentives. Continued receipt of incentives is IAW DoDI 1304.31, DoDI 1304.34, AR 601-210, and this SRIP. Listed below are any immediate updates or continued receipt rules not previously stated. USARC G-1 Incentives Team is the authority to resolve or adjudicate any policy discrepancies or disputes.

a. Officers changing Area of Concentration (AOC) due to normal career progression can retain their incentive provided they remain within the same Career Management Field (CMF) for the entire length of the service obligation. Transfer orders must be uploaded into iPERMS.

b. Soldiers changing their Military Occupational Specialty (MOS) due to normal career progression (per DA PAM 611-21) remain eligible to retain the incentive(s) for which contracted provided they remain within the same CMF for the entire length of the service obligation. Substantiated involuntary moves are authorized exceptions; upload transfer orders into iPERMS. Soldiers who voluntarily transfer to another MOS are not considered eligible for continued receipt of the incentive(s). This change supplements the requirements set forth within AR 601-210, paragraph 10-5 on continued receipt of incentives due to normal career progression.

c. For SLRP incentives, enlisted Soldiers who enter a commissioning program and/or accept an appointment or commission as an officer or warrant officer in the Selected Reserve (any AOC/MOS) may continue to receive SLRP payments as stipulated in their original contract so long as they remain otherwise qualified. A new SLRP addendum must be completed with a new AOC/MOS.

d. All Soldiers involuntarily transferred will be eligible for continued receipt of incentives regardless of the position or unit they are transferred to. Enlisted Soldiers

transferring to IMA positions will continue to receive their (MOS/Unit Identification Code (UIC) associated) incentive at the time of transfer and upon return to the unit. This includes Soldiers whose SRB obligation has not started yet. Soldiers who contract for Option C-2, C-4, or C-5 SRBs or CBs must be fully Duty Military Occupational Skill Qualified (DMOSQ) for the bonus prior to transferring to an IMA position or units will submit a request to finance to terminate incentives. Soldiers must continue to serve in their contracted skill or MOS unless otherwise granted an Exception to Policy (ETP). This does not apply to the officer bonuses.

e. IAW Extended ETP Retention of Incentives for USAR and ARNG Soldiers Accepting AGR Positions memorandum, Soldiers who receive an incentive, and are later accepted into the AGR program, will retain their incentives provided they are assigned to an AGR position with the same MOS or AOC. This exception applies to Enlisted and Officer bonuses and SLRP.

f. Soldiers who elect to voluntarily transfer units/positions must transfer to the same contracted MOS/AOC. Exceptions to this policy will be reviewed on a case-by-case basis and can be requested via Electronic Personnel Actions Tracking System (ePAT) action T-36-A-3.

g. Officers who accept command positions outside of their CMF will be eligible for continued receipt of incentives. They must return to their contracted AOC (01A positions are acceptable) once their command tenure has ended. Failure to return to their contracted AOC will result in termination and recoupment effective the date of assignment to the command position.

4. Suspension of Incentives.

a. Suspension requirements for incentives are IAW DoDI 1304.31, DoDI 1304.34 and AR 601-210. USARC G-1 Incentives Team is the authority to resolve or adjudicate any discrepancies or disputes.

b. Transfers to the Individual Ready Reserve (IRR) for personal reasons are considered authorized periods of non-availability with up to one year of incentive suspension. Personal reasons include any voluntary IRR transfer with an honorable separation code. An IRR transfer for accepting an Active Duty Operational Support (ADOS) tour does not apply under this paragraph.

5. Reinstatement of Incentives.

a. Reinstatement requirements for incentives are IAW DoDI 1304.31, DoDI 1304.34 and AR 601-210. USARC G-1 Incentives Branch is the authority for any discrepancies or disputes.

b. Soldiers on an Indefinite (INDEF) contract may enter the IRR for an authorized period of non-availability. Upon return to Troop Program Unit (TPU), they must complete

a DA Form 4187 with their gaining unit agreeing to serve the additional required time. The unit will send the signed DA Form 4187 to the USAR Pay Center and upload a copy of the DA Form 4187 to the Soldier's iPERMS. USAR Pay Center will update the bonus obligation end-date and reinstate the bonus.

6. Termination of Incentives. Termination requirements for incentives are IAW DoDI 1304.31, DoDI 1304.34 and AR 601-210. Paragraphs 7 and 8 below are NOT a comprehensive list; refer to the above references for additional information. USARC G-1 Incentives Team is the authority for any discrepancies or disputes.

7. Termination with Recoupment

a. An Officer failing to serve in the contracted AOC for the entire length of the incentive agreement (except for normal career progression and for the convenience of the government). The effective date of termination is the date annotated on the Officer's branch order.

b. The date of termination for an enlisted Soldier voluntarily changing their MOS during the contractual obligation, unless assigned as a 09R (Simultaneous Member Program (SMP) Cadet), 09S (Officer Candidate School (OCS) Candidate) or 09W (Warrant Officer Candidate), is the effective date annotated on the Soldier's transfer order.

c. If assigned to a temporary billet position that is not a duplicate of a primary position, previously referred to as mobilization vacancy, the effective date of termination is the date the Soldier was coded/reassigned to the excess position/temporary billet. Soldiers enlisting in 09S are exempted because they are enrolled in OCS. Once commissioned, they may not be coded excess for the duration of the contractual period of the contract. Deployed Soldiers must submit a request to their unit to notify the pay center of their mobilization. Units will provide the pay center deployed Soldiers' orders to prevent recoupment. Reassignments due to UMR overlays will not terminate the incentives. Units will have 30 days to move the Soldier back into their assigned positions.

d. If the Soldier is flagged for Height and Weight (HTWT) failure, the incentive is suspended. Units will terminate the incentive if the Soldier remains flagged for HTWT failure for more than 12 consecutive months, with recoupment effective the date of the HTWT flag unless the Soldier is making satisfactory progress in the Army Body Composition Program (ABCP). If the Soldier fails HTWT, passes HTWT, and fails HTWT again within a 12-month period, the incentive is terminated with recoupment effective the date of the current HTWT failure. If the last HTWT is older than 6 months, the incentive is suspended (ETPs available for deployed Soldiers).

e. A Soldier affected by an involuntary move, unit transition, or mobilization will have 24 months plus periods of deployment from the date of transfer to get Duty AOC Qualified (DAOCQ)/DMOSQ in the new AOC/MOS and is eligible for future scheduled

payments. A Soldier who fails to become DAOCQ/DMOSQ within 24 months, plus periods of deployment, will have their incentive terminated effective the date of the transfer into the new AOC/MOS.

8. Termination without Recoupment

a. OAB/WOAB, the Officer must successfully complete Basic Officer Leader Course (BOLC)/Warrant Officer Basic Course (WOBC) in their contracted AOC/MOS within 36 months of the date of commission or appointment. Failure to complete training results in termination of the incentive.

b. OAFB/WOAFB, Officers must be DAOCQ within 36 months of assignment in their contracted AOC/MOS to receive the OAFB/WOAFB. Failure to complete training will result in termination of the incentive.

c. Individuals who do not pass the Occupational Physical Assessment Test (OPAT) for the MOS/AOC in which they enlisted will have their incentives terminated effective the contract start date. If they fail the OPAT, they may renegotiate their contract for a different MOS/AOC incentive.

9. Disposition of Incentives for a Deceased Member. Upon the death of a Soldier, all incentive entitlements due to the Soldier's beneficiary are processed by Defense Finance and Accounting Services (DFAS) per USAR Pamphlet 37-1, Defense Joint Military Pay System – Reserve Component (DJMS-RC) Procedures Manual.

10. Mobilization and Deployment Guidance. Refer to USAR Incentives Guidance for Mobilized Soldiers or Soldiers on Active Duty Operational Support (ADOS) Orders.

11. Exception to Policy (ETP). Units will request ETPs through the Electronic Personnel Action Tracker (ePAT) using action type T-36-A-3 (bonus) or T-24-A-3 (SLRP).

12. Direct Deposit/Sure Pay. Soldiers must set up direct deposit for incentive payments to be processed. DFAS will place the Soldier's account in a "held pay" status for up to 90 days awaiting posting of direct deposit information. After 90 days, DFAS will transfer funds to the US Treasury for missing Electronic Funds Transfer (EFT) information.

USAR FY23 SRIP Change 1

Military Service Obligation Examples

Initial Statutory Military Service Obligation:

The statutory MSO is incurred on initial entry (DIEMS) into the Armed Forces whether by induction, enlistment or appointment

Contractual Military Service Obligation:

A contractual obligation is acquired when an individual voluntarily enters into an agreement to serve in a military status for a specific period of time. A contractual obligation may run concurrently with the statutory obligation incurred on initial entry; it may extend past the length of the initial statutory obligation; it may be added to the initial statutory obligation; or it may exist where no statutory obligation

Active Duty Service Obligation:

Normally runs concurrently with the initial or contractual MSO and stipulates the minimum time an officer must serve on Active Duty before submitting a voluntary REFRAD request. It does not satisfy the remaining statutory/contractual service obligation incurred.

The MSO reduction is only applicable to the initial statutory MSO it does not reduce the subsequent contractual MSO's incurred after initial entry into the Armed Forces.

- ROTC (Non-Scholarship/Scholarship) Cadets incur an eight-year MSO from date of appointment.

For example, SPC Smith enlisted into the USAR on 29 Sept 2021 (DIEMS), establishing an initial statutory MSO of 28 Sept 2029. SPC Smith commissions through a ROTC program and has an appointment date of 5 June 2022. 2LT Smith has now established a contractual MSO of 4 June 2030.

- AC Officer Candidate School incur an eight-year MSO from date of enlistment if enlistment is for OCS (verified DA Form 1966). (non-prior service)

- AC OCS officers who commission during their initial MSO only incur a three-year ADSO.

For example, SPC Smith enlists into the AC on 29 Sept 2021, establishing an initial statutory MSO of 28 Sept 2029. SPC Smith commissions through OCS with an appointment date of 1 Oct 2025. 2LT Smith has now established an ADSO of 30 Sept 2028, and maintains the initial statutory MSO of 28 Sept 2029.

- RC Officer Candidate School incur an eight-year MSO from date of enlistment if enlistment is for OCS (verified DA Form 1966). (non-prior service)

- RC Officer Candidate School incur a six-year contractual obligation that will run concurrently with the eight year initial MSO if under two years of enlistment contract was served. The six-year obligation will extend past the initial MSO if over two years of the enlistment contract was served. (prior service)

For example, SPC Smith enlists into the USAR on 10 Jan 2020. SPC Smith commissions through direct appointment and has an appointment date of 25 Jan 2022. 2LT Smith's contractual MSO is 24 Jan 2028, which is 15 days past the initial statutory MSO of 9 Jan 2028.

- Direct Appointment incur an eight-year MSO from date of appointment. (non-prior service)

- Direct Appointment incur a six-year contractual obligation that will run concurrently with the eight year initial MSO if under two years of enlistment contract was served. The six-year obligation will extend past the initial MSO if over two years of the enlistment contract was served. (prior-service)
