MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Chief of Army Reserve and Commanding General Policy # 25-05: Active Guard Reserve Temporary Manpower Allocation

1. Reference. Army Regulation 135-18, The Active Guard Reserve Program.
2. Active Guard Reserve (AGR) Temporary Manpower Allocation (TMA) positions are established to address a high priority manpower need (e.g. specific mission, requirement, and for a specified time). Similar to directed military overstrength positions, TMAs provide organizations flexibility and may be used as a bridging strategy until the approval of an updated full-time support document.
3. The United States Army Reserve Command G1 will publish processes and procedures for TMA requests. All TMA requests without an authorized vacant AGR position (of equal or higher grade) will be reviewed and decided by an executive board except for TMA billets directed by the Chief of Army Reserve. The executive board will review the request for mission, function, and supportability.
4. This memorandum remains in effect until superseded, rescinded or withdrawn.
5. For additional information, contact MAJ Alisia Mahatoo, OCAR G1 Full-Time Support, at (703) 806-7444 or alisia.s.mahatoo.mil@army.mil.
