Teachers and Child Counselors Assembly

4:00 PM MDT

Military Child Education Coalition

This assembly will focus on assisting educators with overcoming the challenges of teaching in a virtual environment and will be led by the Military Child Education Coalition® (MCEC®). A 501(c)(3) nonprofit, worldwide organization, the MCEC® work is focused on ensuring quality educational opportunities for all military children affected by mobility, transition, deployments, and family separation. The MCEC® mission is to ensure inclusive, quality educational opportunities for all military-connected children affected by mobility, transition, deployments and family separation.

Child Suicide Awareness Assembly

4:00 PM MDT

Strategic Behavioral Health

This assembly will focus on Youth Suicide Prevention and Awareness and will be led by Peak Behavioral Health Services. Peak Behavioral Health Services is a 119 bed mental health hospital that consists of acute care and a psychiatric residential treatment facility. Peak Behavioral specializes in the treatment of adolescents, adults and seniors with mental health and chemical dependency needs. Peak Behavioral assists families and their loved ones with overcoming personal challenges and the creation of a positive environment to regain control of their life during and after treatment.

Give an Hour for the Children Assembly

4:00 PM MDT

Give an Hour®

This assembly will focus on mental health literacy for children, parents, and educators. This discussion will include the Healthy Habits of Emotional Well-being and Five Signs of Emotional Suffering through real life examples. This conversation will be led by Give an Hour® - a national nonprofit that provides free mental health to service members, veterans and their loved ones. Through the generosity, compassion, and expertise of their network of independently licensed, volunteer mental health professionals, Give an Hour® is able to increase the likelihood that those in need receive the support and care they deserve.

U.S. Army Reserve, Family Programs Resource Assembly

4:00 PM MDT

U.S. Army Reserve, Family Programs

This assembly will focus on helping educators, parents, and children to deal with the challenges of learning in a virtual environment and will be led by Army Reserve Family Programs (ARFP). ARFP is a comprehensive blend of quality of life programs in support of Department of Defense activities. Family Programs is a Commander's force multiplier for mission readiness. Family Programs staff serve as the primary coordinating resource, who provide a multitude of unit and community-based services that foster the growth, development, and readiness of Soldiers and Families assigned to the Command.
